

DAY 17 - Mark 10:45

Assignment ...SERVANTHOOD!

For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."

Jesus came to live among us, not for greatness or to receive, but to freely serve and give to others. He gave the ultimate gift, through the cross, as the ultimate sacrifice. As we journey with Jesus we are not called to live on the sidelines. Football games are not won on the sidelines, they are won on the field. What an example for us to live our lives to be more like Jesus.

I believe we are never finished serving the Kingdom of God. Until God calls us home, we are called to make an impact and serve the Kingdom of God and lead people to Christ.

There is a place in our church for each and every one of us to serve accordingly to the gift that has given us...Don't hold back!

Jesus has never held back on us, so why do we choose to hold back on him? We want to see the Kingdom of God impacted for the greater good, yet, when Christ calls us to move, we stop and ponder the options.

Carrying the cross requires a price. The price is being a humble servant for the Kingdom of God. You may never see the fruit of your labor. However, in the eternal perspective of life, it doesn't matter because we know God is already working ahead of us. I want to give God my best because He gave His best.

Never settle for giving God "lazy" when we serve. Jesus was never lazy, He came to go the extra mile for the people who did not deserve it.

Today, walk in the power of the Holy Spirit to serve and give Christ your best. Don't hold back. We are presented with opportunities to serve the lost and see people come to a life-giving relationship with Jesus Christ.

Where do you fit in and what will you do?
